Topic: Suspected Child Abuse and Neglect Mandated Training Program (3 Hours)

SCAN-MRT is a program designed to teach mandated reporters how to recognize and respond to child maltreatment, including neglect, physical and sexual abuse and emotional damage. SCAN-MRT is the only mandated reporter training in the state approved by the Wisconsin Department of Children and Families.

Hours: 3.0

Registry Tier Level: 2

Quality Area: Health and Wellness and Business and Professional Practices

Learning Objectives:

- Identify examples of child maltreatment including neglect, physical and sexual abuse, and emotional damage
- Describe risk factors for child maltreatment and strategies for prevention
- Have an increased confidence about reacting appropriately to disclosures of abuse and neglect
- Understand what happens when a report is made
