Raising A Thinking Child Workshop Series

Red Apple Elementary School
914 St. Patrick St., Racine, WI
Tuesdays, January 19, 26, February 2, 9, 16, & 23, March 1 & 8
9:00-10:30 a.m.

If you are a parent of a 4-7 year-old and your child has experienced any of the following:

♦ Temper tantrums

♦ Difficulty making or keeping friends

♦ Impatience or interrupting

♦ Not listening

Raising a Thinking Child workshop may be just right for you! This evidence-based workshop series will help you guide your child to solve common, everyday problems by communicating with your child.

It is a refreshingly practical curriculum that helps you help your child learn _how_ to think, not _what_ to think. Through 8 weekly classes, along with interactive, fun activities for you and your child to do at home, you will learn ways to help your child think in new problem-solving ways.

Participants will learn:

To give their children skills to solve their own problems and think about the consequences through fun games

How to help kids care about and understand their own and others' feelings

The cost for the course is $10 and includes the *Raising a Thinking Child* **workbook. Scholarships may be available.** *No child care is provided.* This program is facilitated by Sarah Hawks, Racine County UW Extension.

An EEO Affirmative Action employer, the University of Wisconsin - Extension provides equal opportunities in employment and programming including Title IX and ADA requirements. If you require reasonable accommodations to participate in this programming, please call Sarah Hawks at 262-767-2916 as soon as possible.

_____
