### COST

\$50 (materials provided) **includes 15 hours of Registry Credits and a Tier 3 training opportunity!**

**Deadline to register: 2/8/2018**

**Space is limited to 16 participants**

---

Training is provided by the Racine County Touchpoints Training Team with support from United Way of Racine County, Racine County and UW-Extension, using curriculum and resources from the Brazelton Touchpoints Center.

**Racine County Touchpoints Project:** <http://racine.uwex.edu/family-living/touchpoints-project/>

**Brazelton Touchpoints Center:** <http://www.brazeltontouchpoints.org/about/>

The **Family Connections** curriculum and materials were developed for early care and education staff to gain information, have learning opportunities and discover the critical ways “programs can better understand and respond to the needs of children and families.” The Family Connections training modules were created to promote skills needed in the early care and education field of *self-reflection, self-care, and perspective taking*.

Artist: Juli, age 6

### The Topics that will be covered in this series:

- ◆ Module 1—The Benefits and Challenges of Engaging Parents & Perspective Taking
- ◆ Module 2—The Program Climate and You & Accentuate the Positive
- ◆ Module 3—Supporting Social Emotional Growth & Strategies for Talking with Children about Difficult Issues & Getting the Most Out of Circle Time
- ◆ Module 4—Better Communication & Developing a Resource and Referral Process
- ◆ Module 5—What is Depression?

### Participants will:

- Gain information, skills and strategies for better family engagement.
- Be encouraged to consider your roles in the program and how to contribute to program improvements.
- Examine how your own professional practice impacts the classroom environment, your communication styles and strategies and the children you serve.
- Gain opportunities to develop new skills in communication and the resource and referral process.
- Learn the signs, symptoms, and causes of depression and how to support families and colleagues who might be demonstrating depression behaviors.
