Registration Deadline: Nov. 19, 2018

Understanding trauma and its effects on the developing brain is important for caregivers of young children who play a critical role in nurturing and preparing children for school success and supporting families. Participants will learn about the latest in trauma informed care philosophy and practices including:

- The 7 essential ingredients of *Trauma Informed Care*
- Scientific information about addressing the impact of adversity and stress in childhood
- Practical tips to prevent or mitigate the impact of “toxic stress” in children
- The impact of childhood adversity and ways to create an early care/educational setting to meet children and families’ needs.

Racine County has been educating providers across various sectors about adverse childhood experiences and the impact of trauma in the lives of individuals and the community.

Child Care Providers needing Certificate of Attendance or Registry Credit must mail in the registration form below with **\$10** check / cash to: **Racine County UW-Extension**, 209 North Main Street, Burlington, WI 53105. Payment is not refundable and must be received by the deadline.
