RACINE COUNTY RECYCLING RESOURCES

LOCAL MUNICIPALITIES CONTACTS

Each municipality in County manages contracts for household waste and recycling collection. If you have guestions regarding what can and cannot be placed in household bins, recycling schedule, special pick-ups for bulk items and more, contact the municipality in which you live for the most up-to-date information. You may be directed to the contracted service provider for more details.

WISCONSIN RECYCLING MARKETS DIRECTORY

The Wisconsin Recycling Markets Directory provides information about outlets for recycling various materials in Wisconsin that municipalities may not accept. Users can search the list of recyclers for various materials, view information about the recyclers and suggest additional recyclers to include in the listing.

Visit the directory at www.uwqb.edu/solid-hazardous-waste-education-center/.
