

Camp Staff Commitment Form

Thank you for choosing to spend your summer planning and implementing summer camps, practicing leadership skills, and creating fun, safe, memorable experiences for our 4-H youth. As a camp counselor, you are choosing to be a role model, a problem solver, a leader, a friend, and a support system for our campers.

By signing the form below, you are committing to the camp counselor position you have been assigned, available for the dates that go along with your position and are able to participate for the entirety of the time required. You are also agreeing to attend trainings or make up trainings that can't be attended due to school, work, or family obligations, and agreeing to clear any absences with your county educator first. You are also agreeing to pay the camp counselor fee. Finally, you are agreeing to meet the requirements of the 4-H Code of Conduct.

TOTAL COST FOR CAMP STAFF (lodging, meals, T-Shirt, training, supplies) is \$30.00.

Please enclose payment with your commitment form
