## REPORTER CORNER

Hello Racine County 4-H!

So many fun things have happened in this past month. Cloverbud day camp was July 15 which included mostly games and crafts. It looked like a lot of fun! The Racine County Fair was July 24 - July 28. It was amazing to see all of the creativity and talent that our fellow youth has in both the craft and animal projects! I can't wait to see everyone who entered their projects in the Wisconsin State Fair this year as well. I'm sure they are all incredible! Thank you to all who helped keep the county's Fairgrounds beautiful by participating in the Fairgrounds Clean Up held the Monday after the fair from 4:30-6:30pm. Don't forget to stop this year's Racine County 4-H Open House Tuesday, August 27 from 5-7pm at Raymond Elementary School. Make sure to invite family and friends and encourage them "To make the Best Better!"

## OUTSTANDING TEENS AT FAIR

Now that the 2024 Racine Co. Fair is over, I've had the opportunity to reflect on my experience there as Outstanding Teen and I could not be more grateful. I was able to experience facets of the Fair that either I've never seen or have not experienced in quite a while, and it was a truly wonderful experience. With five days packed to the fullest, I don't think I could have asked for more.

## FALL FORUM

*November 1-3, 2024*

Fall Forum is a statewide conference that brings 4-H youth and adult leaders together to connect, collaborate, celebrate, and build excitement and energy for a new year of 4-H. It is for youth in grades 7-13, adult volunteers, and staff. It's a great opportunity for youth and volunteers to discover and explore their sparks and make new friends from all across the state. Everyone will leave inspired and ready for a great 4-H year! This year's theme is "Sparking New Connections."

## 4-H ARTS CAMP COUNSELOR APPLICATIONS

Wisconsin 4-H is very excited about the upcoming 4-H Arts Camp, October 5 & 6 at Upham Woods. They are currently in the process of recruiting counselors for this experience. Counselors need to be in grades 9-13 and have some interest in the arts. Counselors will participate in a planning weekend September 7-8 at Upham Woods.

Counselors will help with camp planning, collaborate with fellow 4-Hers, learn about caring for campers, build leadership skills, practice growth-mind set, goal setting and management skills. All of that, and they also hope that they will have fun, feel a sense of belonging and support the growth of arts in their local communities. Applications are due on August 19th.
