2024-2025

COMMITTEE  
MEMBERS  
NEEDED!

With the new 4-H year approaching, the time has come to sign up to be on one of the many countywide committees. Committees are for both youth and adults to be a part of, so the whole family can get involved.

Most of these committees are active during a specific part of the year, so signing up will not be a year long commitment, but rather a few months until the event has taken place. You are welcome to be a part of the planning process, executing the actual event, or all of the above. These committees need volunteers in order for your favorite countywide events to happen, so please consider joining one of these teams!
