REPORTER CORNER

Hello Racine County 4-H

I hope everyone is having an amazing summer! The Racine County Fair was from July 23-27th. It was so amazing to see all of the hard work everyone has put into their projects pay off! Everyone did an incredible job this year. The Wisconsin State Fair is from July 31-August 10th. Congratulations to everyone who got the chance to enter their projects in the state fair! You're doing an amazing job representing Racine County 4-H! I encourage anyone attending the fair to stop and take a look at these projects. I'm sure they are going to be just as amazing as always!

25-26 COMMITTEE VOLUNTEERS

With the new 4-H year approaching, the time has come to sign up to be on one of the many countywide committees. Committees are for both youth and adults to be a part of, so the whole family can get involved.

Most of these committees are active during a specific part of the year, so signing up will not be a year long commitment, but rather a few months until the event has taken place. You are welcome to be a part of the planning process, executing the actual event, or all of the above. These committees need volunteers in order for your favorite countywide events to happen, so please consider joining one of these teams!

Please be mindful of your 4-H or personal experience when signing up to chair a committee, and please limit the number of committees you are signing up to chair. Ideally there is opportunity for many people to take on leadership roles. If you want to chair an event, please understand that you will be required to communicate consistently, delegate efficiently, and participate positively with an open mind and a humble attitude.
