4-H CELEBRATES NATIONAL 4-H WEEK!

REPORTER CORNER

Hello everyone! My name is Aleksandra Zamecnik and I am the new reporter for the 2025-2026 year! I am currently in 12th grade, and I am in the All-4-One 4H club. During my 4H years I have shown horses, woodworking, scrapbooking, and swine. I am so excited to share all of the activities and events going on in the county this year. So far this September 4H enrollment happened, I'm so excited to see all of the new and returning members! As well, Tucker pancake breakfast happened, I attended and it was super fun and yummy. Other events included, new Leaders Association Board of Directors, Awards and Experiences application, and Kiwanis Essay application. I can't wait to see all the fun events October will have!!!

If you have any questions, or suggestions please let me know!!!
Thank you!
Aleksandra Zamecnik

25-26 COMMITTEE VOLUNTEERS

With the new 4-H year approaching, the time has come to sign up to be on one of the many countywide committees. Committees are for both youth and adults to be a part of, so the whole family can get involved.

Most of these committees are active during a specific part of the year, so signing up will not be a year long commitment, but rather a few months until the event has taken place. You are welcome to be a part of the planning process, executing the actual event, or all of the above. These committees need volunteers in order for your favorite countywide events to happen, so please consider joining one of these teams!

Please be mindful of your 4-H or personal experience when signing up to chair a committee, and please limit the number of committees you are signing up to chair. Ideally there is opportunity for many people to take on leadership roles. If you want to chair an event, please understand that you will be required to communicate consistently, delegate efficiently, and participate positively with an open mind and a humble attitude.
